# SPONSOR GUIDELINES

In order to make the 2023 BLACKBERRY PEACH NATIONAL POETRY SLAM COMPETITION a memorable and financially successful event, We need to build a sponsor network to support our goals. We have created a program to identify and contact potential sponsors and offer them this unique opportunity to be a part of this important event.

We are off to a good start, with a strong group of NFSPS members ready to go to work, and we have already received the generous financial support of our first Platinum sponsor, Fil Peach, and Bethune Cookman University has agreed to be our major sponsor.

We now need to contact potential sponsors and explain our sponsorship program and how they can participate. Our preliminary list of potential sponsors includes:  private corporations, individuals, other non- profits, Universities, NFSPS Chapters, creative writing and poetry programs, and any other groups involved in Spoken Word Poetry.

 SPONSORSHIP PROGRAM Potential sponsors will have a wide range of choices and levels of support. There will be 3 levels of general support:

Silver Sponsor          $50+   Gold Sponsor          $100+     Platinum Sponsor          $500+

In addition, sponsors will be given the opportunity to help sponsor specific events. If sponsors chose this option they will be invited to attend all of the events for free and have an opportunity to be introduced, thanked and have the opportunity to speak briefly about their company, organization and program. All sponsors will be recognized and thanked as part of the program and  in all printed material and in our printed program book.
