

Thank you for your interest the Pennsylvania Poetry Society.

We are a 501(c)(3) non-profit literary organization, and our mission is to secure fuller recognition for poetry, to foster a better appreciation of it, and to assist American poets in their craft.

A donation of any size can help our organization get closer to fulfilling its mission – a path we have been walking since 1949.

A donation of \$25 (or more), and designated as Patron funds, will go exclusively toward our publication efforts – all Patrons are acknowledged and listed in our anthology publications. Annually, we publish a book of the top three winning poems from each of our contest categories. Occasionally, we publish a members-only anthology to highlight the poetic work of the society's members. And occasionally, we publish an anthology of poetry to commemorate a significant milestone of the organization. In 2024 we will turn 75, and to mark the milestone we will be publishing a 75th anniversary anthology – our last edition marked our 60th year. Note: Patron supporters are not members of PPS. Our annual membership is \$20 and requires the completion of a Membership Form. A donation that is not specifically designated will be utilized wherever it can do the most good.
